# KODAK 10 Inch Digital Photo Frame

Model:RDPF-1020W

- KODAK 10.1" Digital Picture Frame should add a little brightness to your favorite room. With its decorative wood frame and matte, this photo frame will fit right in with the rest of your collection.
  - Unlike a standard photo frame, the RDPF-1020W creates slideshows with transition effects and background music as your favorite.
  - Simply insert your SD/SDHC/MMC memory card or USB 2.0 flash drive into RDPF-1020W and a slideshow automatically starts showing off your favorite photos in bright, crisp high resolution.
  - A gift for yourself, family or friends: Easy to use, a presentation full of precious memories. Imagine enjoying your favorite music, videos and photos in your leisurely time.
  - Long distance remote control makes it easier to operate quickly
  - A high-end digital calendar with slideshow with your favorite photos and music.
- Easily share your special memories !
